Subject: Concurrence With Region 13's 700 MHz Regional Plan

Mr. Carter,

The Region 17 700/800 RPC met on October 1, 2015 and reviewed Region 13's proposed changes to their Regional 700 MHz plan. The committee found that the request coincided with Kentucky's Plan and had no impact to our plan and future use. The Commonwealth has no objections to your request.

This letter serves as the official, written concurrence of Region 17 to your proposed 700 MHz Regional Plan amendment.

If there are any questions in regards to this matter; please feel free to contact me at 502-782-2067.

Respectfully,

A handwritten signature in black ink, appearing to read "Michael B. Marshall".
